**Toward a Fit For Future UN System**

24-26 June 2021

## **ACUNS Code of Conduct**

The Academic Council on the United Nations System (ACUNS) pledges to uphold professional standards of behavior and ethics for a respectful environment. Harassment and unethical behavior undermine ACUNS values of inclusivity and goals for excellent scholarship and informed policy solutions to global challenges. Closely modeled on the anti-harassment policies of peer organizations, ACUNS' Anti-Harassment Policy lists the expectations for the 2021 Annual Meeting.

### ***Appropriate Zoom Conduct***

Zoom etiquette can ensure productive and professional online events. Please be mindful of respectful Zoom conduct by abiding by the listed ground rules:

- Mute microphones to minimize background noise unless speaking. Please hold all questions and comments until the end of each session and plenary
- No surreptitious recording or photography. Please refer to the ACUNS 2021 Annual Meeting Recording Policy for more information.
- Respectful use of Zoom functionalities. Please refer to the ACUNS 2021 Guidance to Navigating Zoom for instructions on the most commonly used functions

### ***Unacceptable Behavior***

As a virtual attendee of the ACUNS 2021 annual meeting, I agree to follow the ACUNS Anti-Harassment Policy and to avoid the following unacceptable behaviors that include but are not limited to:

- Threats or actions that cause or threaten personal or professional harm
- Harassing or derogatory speech or action against ACUNS annual meeting and event attendees
- Abusive comments or actions related to race, ethnicity, nationality, identity, sexual orientation, ability, age, religion, or socioeconomic status that undermine the principles of professional equity and academic exchange
- Persistent and unwelcome solicitation of emotional intimacy
- Harassing photography or recording
- Sustained, unprofessional disruption of talks or other events
- Other intentionally disruptive behavior
